

Shalom Dear Friend,

I'm writing because **we urgently need your help.**

We have been in our current facility for more than 16 years. It's been a great place for us, but now the cloud is moving, and so are we.

Our landlord has decided not to renew our lease.

We need to move in 2025.

And like Abraham, we don't know where we are going! We don't know if it will be a season in the wilderness so to speak; setting up and breaking down week to week; or if we will land in a place of our own right away.

Our prayer is the same as Jehoshaphat, "...we don't know what to do, but our eyes are upon you."
(2 Chronicles 20:12)

We do know that God has faithfully provided for us all these years:

- Two years at the Barbara Frum Library
- Eleven years at Bathurst and Steeles
- Sixteen years here at Yonge and Centre Street

And God will continue to provide for us, short term and long term. In the end, our hearts will rejoice in what He does!

The Cloud is Moving

A large, vibrant image of a sunset or sunrise over a sea of golden, glowing clouds. The sun is low on the horizon, creating a bright starburst effect. The text "The Cloud is Moving" is written in a large, white, serif font across the bottom of the image.

As a good friend of our ministry, there are two things we'd like to ask you to do.

The first is to pray. Your prayers can break through hindrances and bring about miracles.

The second thing is to consider sowing a significant gift towards our next Synagogue Outreach Centre. When Yeshua came to Capernaum, there was a centurion who asked for Yeshua to come and heal his slave. The Jewish people of that town testified about this centurion, "... he loves our nation, and it was he who built us our synagogue." (Luke 7:4)

Perhaps you can be like the centurion of Capernaum and help build our Synagogue!

In today's market, buildings that are 15,000 square feet are selling for \$8,500,000 dollars, plus renovations. Even if we lease a building that size, the renovation costs could be more than \$2,250,000! This will require a miracle, but God is able!

We need help, and now is the time. God has a definite plan! Would you pray about being part of that plan?

Thank you so much for your friendship and partnership. We are deeply grateful.

With much love and appreciation,

Rabbi Jeff Forman
Executive Director
